SAVE THE DATE: FEBRUARY 22, 2018

MEDIA ADVISORY – PLEASE ATTEND

HIGH SPEED TRAIN COMM”UNITY” MEETING

**3 YEARS LATER...PROGRESS, BUT:
STILL HOSTAGE AND *STILL* A THREAT!!**

WHEN: Thursday, February 22, 2018; 6:30 p.m. to 8:30 p.m.

WHAT: Sequel to our January 2015 meeting where **2,300** people attended. Join the community organizations, elected officials and community leaders who will demonstrate the reasons why proposed route alternatives, which threaten our communities, water supply, Big Tujunga Wash, Hansen Dam and Angeles National Forest, must be eliminated. These routes also increase our fire risk exponentially! Meeting objectives include:

- Inform and unite communities
- Provide updates on progress and support needed from elected officials
- Inspire pride and unity against an oppressive, over-budget and oft-delayed government boondoggle
- ***DEMAND 2018 BUSINESS PLAN REMOVE DAMAGING ROUTES THROUGH NORTHEAST SAN FERNANDO VALLEY***

WHO: Community leaders from the northeast San Fernando Valley will lead the meeting. All elected officials from the northeast San Fernando Valley have been invited to attend. This is an open meeting and the public is welcome to attend.

S.A.F.E. Coalition includes communities of Shadow Hills, Lake View Terrace, Kagel Canyon, Sunland-Tujunga, La Tuna Canyon and Sun Valley. We remain united with the communities of Acton, Santa Clarita, Agua Dulce, Pacoima, Sylmar, and the City of San Fernando.

WHERE: All Nations Church, 10000 Foothill Blvd, Lake View Terrace. Ample parking.
