Re: *Impanel California High Speed Rail Authority*

Dear U.S. Attorney Scott,

Save the Angeles Forest for Everyone (SAFE) recently sent a letter to U.S. Attorney General Barr requesting that he impanel a federal grand jury to investigate the California High Speed Rail Authority (CHSRA) much like the federal grand jury investigating the Hawaii Rail Authority. I am enclosing a copy of that letter to Attorney General Barr. Since CHSRA is a project using Federal money within California, it seemed appropriate to send the same request to the United States Attorney in California in which most of the money has been (mis) spent.

SAFE is requesting that your office impanel that federal grand jury and initiate that investigation.

Very truly yours,
SAFE Coalition
